Key financial figures of the Islamic banking branches are disclosed in note 38 to these consolidated condensed interim financial statements.

3 STATEMENT OF COMPLIANCE

- 3.1 These consolidated condensed interim financial statements (un-audited) have been prepared in accordance with the approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. These comprise of:

International Financial Reporting Standards (IFRS) and interpretations issued by the International Accounting Standards Board as are notified under the Companies Act, 2017;

Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and

- Directives issued by the Securities and Exchange Commission of Pakistan (SECP) and the State Bank of Pakistan (SBP).

In case requirements of the Companies Act, 2017, the Banking Companies Ordinance, 1962, or the provisions of and directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Companies Act, 2017, Banking Companies Ordinance, 1962, and the said directives shall prevail.

- 3.2 SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and IAS 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. Moreover, SBP vide BPRD circular no. 4, dated February 25, 2015 has deferred the applicability of IFAS 3, 'Profit and Loss Sharing on Deposits. Furthermore, SECP has deferred applicability of IFRS 7 'Financial Instruments: Disclosures' on banks through SRO 411(1)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

The disclosures made in these consolidated condensed interim financial statements (un-audited) have been limited based on the format prescribed by the SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and IAS 34, Interim Financial Reporting. They do not include all the disclosures required for annual financial statements, and these consolidated condensed interim financial statements should be read in conjunction with the consolidated financial statements (un-audited) of the Group for the year ended December 31, 2020.

4 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO PUBLISHED APPROVED ACCOUNTING STANDARDS

During the period, certain amendments to standards, interpretations and improvements to accounting standards became effective, however, these do not have any material effect on the financial statements of the Group and, therefore, are not disclosed.

4.1 Standards, Interpretations and amendments to approved accounting standards that are not yet effective

4.1.1 The following new standards and interpretations of and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard, interpretation or amendment:

	Effective date (annual periods ending on or after)
IFRS 9, Financial Instruments: Classification and Measurement	January 01, 2022
IAS 1, Presentation of Financial Statements (Amendments)	January 01, 2022
IAS 16, Property, plant and equipment (Amendments)	January 01, 2022
IAS 37, Provisions, Contingent Liabilities and Contingent Assets (Amendments)	January 01, 2022

IFRS 9 addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'expected credit losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Group which are exposed to credit risk.

IFRS 9 is effective from January 1, 2021 as per BPRD Circular No. 4 dated October 23, 2019 of SBP. However, Implementation guidelines from SBP for consistent application of IFRS 9 across the banking industry are awaited. Therefore these consolidated condensed interim financial statements have been prepared in accordance with the existing prudential regime.

Except for the implementation of IFRS 9, the Group expects that adoption of the amendments to existing accounting and reporting standards will not affect its financial statements in the period of initial application.

5 SIGNIFICANT ACCOUNTING POLICIES AND FINANCIAL RISK MANAGEMENT

The accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the annual financial statements of the Group for the year ended December 31, 2020.

34 FAIR VALUE MEASUREMENT

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently repriced.

34.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

34.2 Valuation technique used & key inputs

Revaluation rates for Treasury bills and Pakistan Investment Bonds are contributed by money market brokers on daily basis while for listed securities; daily prices announcement by Pakistan Stock Exchange.

Investment in subsidiary and other unlisted securities have not been carried out at fair value in accordance with the SBP guidelines.

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:
